THE STARTLING PRICE REDUCTIONS are of such substantial nature as to induce the buyer, whether real prospective or disinclined to buy readily.

At the Airdome.
Crowded houses continue to be the rule at the Airdome and last night the audience was treated to an excellent rural comedy. The bills being presented by the DeArmond Sisters company have the admirable quality of being different from the usual run of stock productions and as a result are making many friends here. Last night's crowd evidently enjoyed the show for the applause was frequent and hearty. The specialties also were fine. Tonight the bill is a western melodrama, "The Ranch King" with a good line of comedy, hair raising climaxes and all thoroughly enjoyable. Tomorrow night the offering will be the big feature bill "A Princess of the Pawnees," a story based on historical facts. Excellent specialties.
